Motivation

List some of your motivations here!

- 1 Some ideas
- 2 More ideas!

One or more slides of background or motivation.

Family Tree Knowledge Base

Facts:

Verbatim is a great way of enumerating code/algorithmic ideas.

How to include images

Social Network Graph

Minipages are a great way to

Line up side-by-side content.

Any Questions?

It is a good idea to have a page inviting the audience to interact. You may learn quite a bit from each other.
